

To Whom It May Concern:

Carrigan Auto Sales, Inc. and Cherokee Auto Auction, Inc. have been customers of AATAC for the past 15 years. We have always been pleased with the performance of all products purchased, including rollbacks and beds.

The friendly staff at AATAC has always been a pleasure to work with and has always been concerned about meeting our needs. We have all intentions of continuing our relationship with AATAC, and look forward to many more years of service. We would, and have recommended AATAC to many potential buyers.
